—AUDITOR GENERAL'S OFFICE, May 21, 1920.

DEAR SIR,—In the vote for working expenses of Canadian Government Railways for the current year the following words appear: "The management of the railways being hereby authorized to apply the receipts and revenues towards payment of the working expenditure."

This is entirely a new departure, so far as I am aware, in dealing with public moneys, and virtually annuls section 35 of the Consolidated Revenue and Audit Act, which provides that "All moneys from whatsoever source of revenue derived shall be paid to the credit of the account of the Minister of Finance and Receiver General."

As the latter is such a well recognized practice, any action that is intended to supersede it should, I submit, receive greater prominence than a few words in the schedule to the Appropriation Act, where they might easily pass unnoticed.

The provision should, I think, be shown as a separate section in the Appropriation Act itself, where it would be brought more prominently to the attention of Parliament.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Minister of Railways and Canals.

DEPARTMENT OF RAILWAYS AND CANALS, Ottawa, May 26, 1920.

DEAR SIR,—I beg to acknowledge your letter of May 21, relative to vote for working expenses for current year.

You are no doubt aware that an Act was passed by Parliament on the 6th of June, 1919 (copy attached), in which is clearly set out the action to be taken relative to the receipts and revenues, and I see no reason why exception should be taken to the wording of this vote.

There is no doubt that a full discussion will be had on this item when the appropriation is before the House.

Yours faithfully,

G. A. BELL, *D.M.*

The Auditor General, Ottawa.

NOTE BY A.G.—The Act referred to above, chap. 13, 1919, has never been put into effect.

AUDIT OFFICE, Ottawa, August 30, 1920.

SIR,—Concerning the working expenses of the Canadian Government Railways for the fiscal year 1919-20,

The totals for the year balance as follows:—

Working expenses	$48,194,709 86	
Grants: $6,000,000; $1,000,000	....	$ 7,000,000 00
Revenue collected	....	41,402,061 36
Balance of Vote lapsing	207,351 50	
	$48,402,061 36	$48,402,061 36

The Department of Railways and Canals has just made application for a transfer-entry, to bring the $41,402,061.36 of revenue, to the credit of the account for working-expenses: giving, as a reason, the words of clause No. 560 at page 48 of Bill No. 221

BUREAU DE L'AUDITEUR GÉNÉRAL, le 21 mai 1920.

MONSIEUR,—Dans le crédit voté pour les frais d'exploitation des chemins de fer du gouvernement canadien pour l'année courante nous lisons les mots suivants: "La direction étant par les présentes autorisée à faire l'application des recettes et des revenus au paiement des frais d'exploitation."

C'est là un procédé tout nouveau, du moins dans la mesure de mes connaissances, en ce qui concerne les fonds publics, et il abroge l'article 35 de la Loi du revenu consolidé et de l'audition qui stipule que "Toutes les sommes d'argent, provenant de quelque source de revenus que ce soit, doivent être versés au crédit du compte du ministre de Finances et du Receveur général.

Vu que cette dernière méthode de procéder est une coutume tellement bien établie, on devrait, il me semble, attacher à toute action ayant une tendance à le faire disparaître plus d'importance que ne le comportent quelques mots compris dans la Loi des crédits où ils peuvent facilement passer inaperçus.

Cette disposition devrait être, je crois, rédigée sous forme d'un article séparé dans la Loi des crédits même, où elle serait plus forcément soumise à l'attention du Parlement.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre des Chemins de fer et des Canaux.

MINISTÈRE DES CHEMINS DE FER ET DES CANAUX, le 26 mai 1920.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 21 courant concernant le crédit pour les frais d'exploitation de la présente année.

Vous devez sans doute savoir qu'une loi a été adoptée par le Parlement le 6 juin 1919, (dont ci-joint une copie) dans laquelle il est clairement établi quel mode d'action il faut suivre relativement aux recettes et aux revenus, et je ne vois pas de raison pourquoi on ferait objection aux termes dans lesquels ce crédit est rédigé.

Il n'y a aucun doute que cet item donnera lieu à une discussion générale lorsque le crédit sera déposé devant la Chambre.

Bien à vous,

G. A. BELL, *S.-M.*

L'Auditeur général, Ottawa.

REMARQUE PAR L'*A.G.*—La loi mentionnée plus haut, Chap. 13, 1919, n'a jamais été mise en vigueur.

BUREAU DE L'AUDITEUR, le 30 août 1920.

MONSIEUR,—Relativement aux frais d'exploitation des chemins de fer du Gouvernement canadien durant l'exercice financier 1919-20 le bilan de l'année donne les totaux suivants:

Frais d'exploitation	$48,194,709 86	
Octrois: $6,000,000; $1,000,000	....	$ 7,000,000 00
Recettes perçues	....	41,402,061 36
Crédit dépassé	207,351 50	
	$48,402,061 36	$48,402,061 36

Le ministère des Chemins de fer et des Canaux vient justement de faire une demande d'autorisation pour transporter l'entrée des $41,402,061.36 de recettes au

(one of the Supply-Bills passed last session) namely: "To pay deficit of working-expenditure for year ended March 31, 1920: Authority being hereby given to apply toward payment of the total amount of the said working-expenditure the amount of the receipts and revenues for the said year: Additional amount required—$1,000,000."

I would like the formal approval of the Justice Department, as to the sufficiency of the wording, before I take part in an arrangement which seems to differ so much from the rest of our financial system, as outlined in the Consolidated Revenue and Audit Act.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, September 3, 1920.

SIR,—Referring to your letter of 30th ultimo, with regard to the provision for the working-expenses of the Canadian National Railways for the fiscal year 1919-20: I cannot interpret the words of the Supply-Bill, which you quote, otherwise than as authorizing the application of the receipts and revenues for the year to the payment of the working-expenditure. The amount of this revenue being $41,402,061.36, it appears to me that the statute operates in effect as an appropriation of this amount towards payment of the working expenses.

I have the honour to be, sir, your obedient servant,

(Sgd.) E. L. NEWCOMBE, *D.M. of Justice.*

The Auditor General.

Miscellaneous Railway Equipment: Canadian Northern Railway

AUDIT OFFICE, Ottawa, December 4, 1920.

SIR,—During the fiscal year 1919-20, there has been advanced to the Canadian Northern Railway the sum of $21,440,495.13, chargeable to "Miscellaneous Railway Equipment," Vote 96, 1919-20. This amount has been expended by the officials of the Canadian National Railways, through their Head Office at Toronto.

An analysis of this expenditure is as follows:—

Rolling stock	$16,864,088 20
Work equipment	598,418 98
Ties	3,638,571 27
Material transferred from Hudson Bay Railway	253,279 50
Car furnishings and equipment	86,137 18
Total	$21,440,495 13

All the vouchers and cheques covering these payments (except those for ties purchased) have been audited at Toronto, by Mr. R. S. Glass, an accountant from the Auditor General's office, Ottawa. The vouchers in connection with the purchase of ties were so voluminous that a "test audit" was the only one possible in the time at Mr. Glass' disposal.

The audit was made at Toronto instead of Ottawa, because the officials of the Canadian National Railways were very desirous of keeping all the vouchers and cheques on file in their own office.

crédit du compte des frais d'exploitation, donnant pour raison les termes de la clause n° 560 à la page 48 du bill n° 2219 (un des bills de subsides adoptés à la session dernière) savoir: "Pour payer le déficit des frais d'exploitation au cours de l'exercice financier clos le 31 mars 1920: autorisation étant par les présentes donnée pour appliquer au paiement de la somme totale desdits frais d'exploitation le montant des recettes et des revenus au cours dudit exercice: montant additionnel requis: $1,000,000.

J'aimerais à recevoir l'assurance officielle du ministère de la Justice relativement à la suffisance des termes de la rédaction de ce crédit avant de prendre part à un arrangement qui semble s'éloigner aussi considérablement du reste de notre système financier tel qu'exposé dans la Loi du revenu consolidé et de l'audition.

Je demeure, monsieur, votre obéissant serviteur,

E . D. SUTHERLAND, *A.G.*

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, le 3 septembre 1920.

MONSIEUR,—En réponse à votre lettre du 30 écoulé concernant la disposition relative aux frais d'exploitation des chemins de fer du gouvernement canadien pour l'exercice financier 1919-20: je ne puis donner aux termes du Bill des subsides que vous citez d'autre interprétation que celle d'une autorisation à faire l'application des recettes et des revenus de l'année au paiement des frais d'exploitation. Le montant des recettes étant de $41,402,061.36, c'est mon opinion que la loi a pour effet de constituer un crédit de ce montant destiné au paiement des frais d'exploitation.

J'ai l'honneur de me dire, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *sous-ministre de la Justice.*

L'Auditeur général.

Matériel de chemin de fer—Divers—Canadian-Northern

BUREAU DE L'AUDITEUR, OTTAWA, le 4 décembre 1920.

MONSIEUR,—Au cours de l'exercice 1919-20 il a été remis au chemin de fer Canadian-Northern le montant de $21,440,495.13, imputable sur le crédit n° 96, du budget de 1919-20, i.e.: "Matériel de chemin de fer—Divers."

Le Canadian-Northern a déboursé ces fonds par l'entremise de son bureau chef à Toronto.

L'analyse des débours donne le résultat suivant:

Matérial roulant..	$16,864,088 20
Outillage..	598,418 98
Traverses..	3,638,571 27
Matériel pris du chemin de fer de la Baie-d'Hudson..	253,279 50
Installation et fournitures des wagons..	86,137 18
Total..	$21,440,495 13

Tous chèques et pièces justificatives relatifs à ces débours (sauf en ce qui regarde les traverses) ont été vérifiés à Toronto par M. R. S. Glass, un comptable du bureau de l'Auditeur général, à Ottawa. Les pièces justificatives des sommes déboursées pour l'achat de traverses étaient si volumineuses que le temps ne permettait à M. Glass qu'une "vérification sommaire".

However, there is an oral understanding with the treasurer, Mr. H. G. Foreman, that all the documents and information relative to this expenditure are available at the Toronto offices of the Canadian National Railways, and will be supplied to any person having authority to call for the same.

It might be well to have this understanding verified in writing, for the records of the Railways and Canals Department, and of the Auditor General's office.

Sincerely yours,

FREDERICK HAYTER (*Chief Accountant*)
for A. G.

The Deputy Minister, Railways and Canals.

Canadian National Railways, Toronto, December 14, 1920.

Dear Sir,—Referring to your letter of the 8th instant, with reference to the audit made by the Auditor General's office of expenditures made under Vote 96, 1919-20, I beg to advise you that all the cheques, vouchers and other documents relative to the expenditures made by the railway company under this vote are available at the Toronto offices of the Canadian National Railways and will be supplied to any person having authority to call for the same.

Yours truly,

H. FOREMAN, *Treasurer.*

W. V. Cope, Railways and Canals Office, Ottawa.

Railways and Canals Department, Ottawa, December 17, 1920.

Dear Sir,—Referring to your letter of December 4 regarding the vouchers and cheques on file in the Canadian National Railways office, Toronto.

I have been advised by the treasurer of Canadian National Railways that all the cheques, vouchers and other documents relative to expenditure made by the Government Railway under Vote No. 96, 1919-20, are available at the Toronto offices for audit and will be supplied to any person having authority to call for same.

Yours faithfully,

G. A. BELL, *D.M.*

Frederick Hayter, Esq., Chief Accountant, Auditor General's Office.

La vérification des pièces s'est faite à Toronto plutôt qu'à Ottawa parce que la direction des chemins de fer Nationaux tenait beaucoup à ce que tous chèques et pièces justificatives ne fussent pas retirés des classeurs dans leurs propres bureaux.

Il existe cependant avec le trésorier, M. H. G. Foreman, une convention orale à l'effet que tous documents et renseignements relatifs à ces débours sont à la disposition de quiconque a l'autorisation d'en prendre connaissance.

Ce serait peut-être bien de faire confirmer cette entente par écrit, afin d'en faire tenir une copie au ministère des Chemins de fer et Canaux ainsi qu'au bureau de l'Auditeur général.

Sincèrement à vous,

FREDERICK HAYTER, (*Comptable en chef*)
pour l'Auditeur général.

Au sous-ministre des Chemins de fer et Canaux.

CHEMINS DE FER NATIONAUX, TORONTO, le 14 décembre 1920.

MONSIEUR,—En réponse à votre lettre du 8 écoulé, touchant la vérification, par le bureau de l'Auditeur général, des fonds déboursés sous l'empire du crédit budgétaire n° 96, 1919-20, j'ai l'honneur de vous assurer que tous chèques, pièces justificatives et autres documents relatifs aux déboursés faits par la compagnie du chemin de fer sous l'empire dudit crédit, sont classés au bureau des Chemins de fer Nationaux, à Toronto, et seront mis à la disposition de quiconque est autorisé à en prendre connaissance.

Bien à vous,

H. FOREMAN, *Trésorier.*
